UK Libraries

WELCOME TO THE MEDICAL CENTER LIBRARY

https://libraries.uky.edu/

LIBRARY RESOURCES

All resources available from the Medical Center Library are available to all UK affiliates anywhere. You will need your LinkBlue credentials when accessing library resources off-campus.

OFF-CAMPUS ACCESS

It is important that when accessing library resources that you first go to the Medical Center Library's website or one of the College Guides listed below. The links from these sites will automatically require you to sign into the library's proxy. You may also use VPN.

UK Libraries ILLiad

What is InterLibrary Loan (ILLiad)?

Interlibrary Loan/Document Delivery allows you to request articles from the University of Kentucky Libraries. In order to request articles, the ILLiad system requires a free, one-time registration.

How to setup an ILLiad account?

Use the First-Time Users page to register for ILLiad. Once you are registered, use the following link below (https://lib.uky.edu/ILLiad/) to log-on. If you have any questions please e-mail or call Medical Center Library Interlibrary Loan/Document Delivery at (859) 323-6505 or medill@uky.edu.

ADDITIONAL RESOURCES

BrowZine

BrowZine provides access to the scholarly journal content available through the University of Kentucky Libraries, providing an easy and familiar way to browse, read, save and monitor scholarly journals across the disciplines on your mobile device or desktop/laptop. Learn more: https://bit.ly/3VnXabt

EndNote

EndNote is a software program that manages bibliographies and citations. The program would be helpful to anyone who is creating a research bibliography, manuscripts, grant proposals, term papers or other publications. Learn more about EndNote at https://libguides.uky.edu/endnote

Consultation & Literature Search Requests

The MCL is happy to schedule consultation requests. Contact the Medical Center Library at mclib@uky.edu or fill out the Literature Search Request form: https://form.asana.com/?k=CkUoKQr1ViPEiGVTBIsLQA&d=71309345811105

Systematic Review Consultations

Systematic reviews and other review types are becoming a more common research methodology. Our medical librarians are experts on search methodologies. Learn more about our services and request a consultation here: https://form.asana.com/?k=wWYHxXhIHMLpIEo-byjWew&d=71309345811105
